

Dear Friends and Supporters,

As we reflect on the past few months, our hearts are full of gratitude for each of you who continue to stand beside Georgia Mountain Pregnancy Center. Because of your generosity, prayers, and unwavering support, we are blessed to serve women and families in our community with compassion, care, and hope.

On **March 26th**, we had the joy of hosting our **9th Annual Gala**, and what an incredible evening it was. We were deeply honored to welcome Claire Culwell as our guest speaker. Her story and message were both powerful and moving, leaving a lasting impact on everyone in the room.

Thanks to your incredible generosity, we are thrilled to share that **over \$100,000 was raised** during the gala. This support allows us to continue offering free services, including pregnancy testing, ultrasounds, and compassionate care to those who need it most. Every dollar given represents lives impacted, hearts supported, and hope restored.

We also want to share a very special blessing. A generous donor has **fully funded a new transvaginal ultrasound probe** for our center. This is a significant addition that will enhance our ability to provide early and accurate care for our patients. We are continually reminded that God provides—often through faithful supporters like you—exactly what we need, right when we need it.

As we celebrate what has been accomplished, we are also looking ahead with excitement. Planning is already underway for our next gala, which will be held on **April 1, 2027, at the House of Prayer Family Life Center**. We are excited to share that we have secured an incredible guest speaker and look forward to announcing that soon. We hope you will mark your calendars and plan to join us for another meaningful evening.

Become a Table Host for 2027

As we begin preparing for next year's gala, we are prayerfully seeking individuals who would be willing to serve as **table hosts**. Hosting a table is a meaningful way to support GMPC by inviting friends, family, or colleagues to learn more about the mission and be part of the evening.

If you are interested in hosting a table for our 2027 gala, we would love to connect with you. Please reach out to **Viktoria Bruce** at csm@gmpcmedical.org for more information or to get involved.

Stay Connected

We would love for our donors and supporters to stay connected with all that is happening at GMPC. You can follow us on Instagram ([savethetinyhumans](https://www.instagram.com/savethetinyhumans)) and Facebook ([@savethetinyhumans](https://www.facebook.com/savethetinyhumans)) to receive updates, see stories of impact, and stay informed about how your support is making a difference in our community.

This year is especially meaningful as we reflect on **10 years of ministry** at GMPC. Over the past decade, it has been your support that has sustained and grown this mission. You have helped create a place where women can find not only medical care, but also encouragement, truth, and hope during some of life's most difficult moments.

From the bottom of our hearts—**thank you**. Thank you for your prayers, your generosity, and your belief in the work being done at GMPC. We truly could not do this without you.

With sincere gratitude,
