

RE: A Season to Cherish Life: Baby Bottle Drive & Holiday Fundraiser

Dear Friends of GMPC,

This October, we are beginning our baby bottle campaign with a special theme:

A Season to Cherish Life

Respect life. Give thanks. Celebrate the Gift.

I intentionally chose to carry this campaign through October, November, and December because each month offers a meaningful opportunity to reflect on the value of life:

- **October — Respect Life:** We recognize the dignity and worth of every human life.
- **November — Give Thanks:** We express gratitude for the precious gift of every child.
- **December — Celebrate the Gift:** As we celebrate the birth of Jesus, we share hope with local women facing unexpected pregnancies.
- **January — Return Hope:** Return your filled bottle so GMPC can continue serving mothers, babies, and families in our community.

Take a Bottle. Fill It with Love. Return It with Hope.

Baby bottles are available at the GMPC office and through participating churches. We invite you to take a bottle in October, fill it with coins, cash, or checks throughout the holiday season, and return it in January.

Every gift helps GMPC provide compassionate support, pregnancy testing, limited obstetrical ultrasounds, education, resources, and practical assistance to local women, babies, and families.

New This Year: Participate Online

You can now participate in our baby bottle fundraiser online! If you are unable to pick up a bottle—or simply prefer to give electronically—you can make your gift through our **A Season to Cherish Life** online fundraiser:

[Give to the A Season to Cherish Life Campaign](#)

Whether your gift is placed in a bottle or given online, it helps GMPC continue sharing truth, practical support, and the love of Christ with women and families in our community.

Save 20% at Minted and Support GMPC

You can also support GMPC while preparing for the holiday season through our **Minted.com fundraiser**. Use the code **FUNDRAISEGMPC** when shopping at Minted.com

to receive **20% off your purchase**. When you use the code, a portion of your purchase will be donated back to GMPC Medical.

Whether you fill a bottle, give online, shop through our Minted fundraiser, or pray for this ministry, your support makes a meaningful difference.

Thank you for cherishing life, giving thanks, and celebrating the Gift through your generosity.

Warmly,

Madison Anderson, RN

Executive Director & Nurse Manager
