

LETTER FROM OUR EXECUTIVE DIRECTOR

Dear Community Partner,

As Georgia Mountain Pregnancy Center celebrates 10 years of ministry and service in our community, we are incredibly thankful for the churches, individuals, and businesses who have stood beside us throughout the years.

Over the last decade, GMPC has had the privilege of walking alongside women and families during some of the most difficult and life-changing moments of their lives. Through free pregnancy testing, limited obstetrical ultrasounds, STI testing/treatment, education, material assistance, youth outreach, and compassionate support, we have seen lives impacted in extraordinary ways.

As the only full-time pregnancy medical clinic serving our Union, Towns, Hayesville, Murphy, Suches, and several other rural counties, we recognize the growing need for accessible, compassionate care and education within our community. In addition to serving women facing unplanned pregnancies, we are passionate about reaching the next generation through youth education and outreach programs that encourage healthy choices, hope, and support.

Like many nonprofits and small businesses, the cost of serving our community has continued to increase significantly over the years. From medical equipment and supplies to operational expenses and expanding services, the need for strong community partnerships has never been greater.

Our 2027 Gala marks an important milestone for our organization and provides an exciting opportunity for local businesses to partner with us in a meaningful and visible way. As a sponsor, your business will not only help support the mission of GMPC, but will also be recognized as a trusted, community-minded organization that values women, children, and families.

One unique aspect of this year's sponsorship program is our Pro-Life Business Directory, which will feature sponsoring businesses through our anniversary magazine, donor website, and promotional materials throughout the year. Many of our supporters intentionally seek out businesses that align with their values, and we are honored to help connect like-minded individuals with businesses that support life and families in our community.

We would be honored to feature your business as one of our trusted community partners during this special anniversary year. Thank you for considering partnering with Georgia

Mountain Pregnancy Center as we continue providing hope, support, and compassionate care throughout our region.

With gratitude,

Madison Anderson

Executive Director
